About Boogiepop Phantom

From Studio Mad House (NINJA SCROLL / TRIGUN / VAMPIRE HUNTER D), Director Watanabe Takashi (SLAYERS) and writer Sadayuki Murai (PERFECT BLUE) comes a brilliant masterpiece of psycho-thriller delving into the darkest reaches of the human condition. Boogiepop Phantom is a mind-bending story combining the stylistic nature of SERIAL EXPERIMENTS LAIN with the episodic nature and dark twisting plotlines of Quentin Tarantino's PULP FICTION.

What they're saying about Boogiepop Phantom:

"A+ Pick. A spooky sepia puzzle." [Sci-Fi Weekly]

"A bit like Bergman taking a stroll through Twin Peaks while holding hands with William Gibson.. On the edge of horror as well as psychodrama, Boogiepop is a creation that stands alone.." [Fantasia Film Festival]

"This anime is a genre-harmonizer: we can't really categorize it as Horror, Science Fiction, or Psychological Drama... This anime is all that in one!" [Protoculture Addicts]

On the other side of the door is danger. Up in the skies is a rainbow that isn't. You are kept company only by your

own fear... Boogiepop. Few even believe that Boogiepop exists in this enlightened age; it's usually more like an urban myth used to frighten the ignorant. Five years ago a serial killer held the city in fear, slashing and murdering seemingly at random. Then, without ever catching the killer, the murders ended. Then came the flash of light in the darkness... A momentary glitch. For some, panic and death stalked the streets again. The shadow had a face. Boogiepop ... But she is not the only one..

Contains episodes 4-6.

Bonus DVD content includes:

Music Videos for the Opening Song, Original Japanese Promo Trailer for Disc 3, Original Fruits Music Video, Scene Access, English Producer's Commentary, Dolby Digital 5.1 and 2.0 English Audio and 2.0 Japanese Audio with English subtitles.

Mamaro was never like other guys. Violent and merciless, he shows little love even to those in his family. Now Mamaro is about to discover he has less in common with other humans than he thought... Nagi Kirima goes through life with a single purpose: root out and destroy the evil that lurks in the darkness. A pursuit that will finally bring her face to face with the Manticore... Saki is a gifted pianist. Popular and talented, she is being manipulated to become something that she never will be. Torn and confused, she's unsure what to do. In the park late at night, though, there is rumored to be someone who brings a resolution to life's little problems...

The world of Boogiepop takes a turn into something completely unexpected with the appearance of the fragile and childlike Poom-Poom. His quest seems an innocent one: make friends with people and play throughout eternity in Paisley Park. Traveling throughout the city with Manaka, even Poom-Poom seems to have an appointment with the

Angel of Death. Now in the final volume of the series, the pieces of the puzzle fall into place. The time has come for the fates of our varied characters and even that of the city itself to meet their ultimate conclusion... The questions are now answered.

Contains episodes 10-12.
